If you could do another job for just one day, what would it be?

Assuming they wouldn't let me use my remaining NCAA eligibility to actually play a major college sport, I'd love to coach one.

Where is the best place you have traveled and why?

Canoeing through the Yukon and into Alaska was the most amazing trip I've ever taken. It was like being teleported into another world.

What is your personal motto or mantra?

Life is not an exact science.

What is one accomplishment you are most proud of?

Raising two sons who have grown into incredible young men.

Do you have a hobby?

Tennis. I get to play 2-3 times per week in the warmer months.
