Holly loves traveling, her family, and historical architecture.

Holly is curious, disciplined, and meticulous. She's excited to be in a team that is driven to succeed, but not at the expense of others. She enjoys that everyone encourages and supports each other, which keeps the team moving towards success. We asked Holly a few questions to get to know her better, and here is what she had to share.

Do you have a hobby? If so, what do you enjoy?

I enjoy seeing new things, learning about different cultures, and gaining and appreciation for all of the wonders of this world. If this is considered a hobby, it would be mine.

Where is the best place you traveled to and why?

My favorite place I have traveled has been Ireland. This country is where my ancestors came from, and the architecture of the old churches and the castles were beautiful.

What is the most unusual item in your desk drawer?

A collection of realistic, but thankfully not real, spiders are currently living in my desk drawer. I am sure I have a humorous child to thank.

What is your personal motto or mantra?

To accomplish great things, we must not only act, but also dream; not only plan, but also believe. – Anatole France

What challenges you personally?

Currently, I have taken on a challenge of juggling a new career and seeking to grow through this new role, while maintaining a good balance at home with my children and my husband.
